

# MINI WAND® PWG W-OBMX

surface mounted dim-to-warm wallwasher

## FEATURES

Mini Wand PWG W-OBMX is a surface mounted wallwasher designed for use with a Philips 12-volt, GU5.3 base, MR-16 shaped, 'WarmGlow' retrofit LED lamp (supplied by others).

- Philips WarmGlow 6.5MR16...

This lamp dims from 2700K to 2200K, providing an experience similar to the dimming profile of an incandescent lamp.

Fixture is designed for mounting on a 4" octagonal outlet box (by others). Fixture includes an integral electronic transformer mounted on top of the outlet box cover.

The optical assembly consists of an integral specular reflector and 40° x 70° spread lens.

A socket cap prevents any backslash of light onto the ceiling.

Concealed swivels provide 350° horizontal rotation as well as vertical adjustment from 0° to 90°. Focus is positively locked by tightening the knurled ends of the two stems.

Magic Wand fixtures have seamless aluminum housings for lightweight durability. Standard finish is matte white with a white socket lead; also available in black and Industrial Silver matte paint finishes.

## PRODUCT CODE

Complete Product Code..... MW3-MRE-OBMX-W-PWG  
standard finish: matte white with white socket lead

## OPTIONS

Specify by adding to the product code.

- black socket lead**  
with standard matte white housing ..... – BSLV
