PRESTO™ DL 30SE/5

recessed short neck PAR 30 LED downlight remodeler

FEATURES

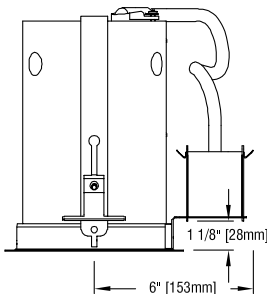

- Presto DL 30SE/5 is a 5" aperture remodeler downlight designed for installation from below in an existing ceiling.
- Fixture has been checked for fit and initial operation with a PAR 30 short neck LED retrofit LED lamp (by others) including:
 - Sora PAR30S
 - Ushio Uphoria PAR 30 S
 - Additional lamps may be suitable. Contact factory with inquiries.
- Precise reflector design minimizes aperture brightness, with a shielding angle of 40°.
- Reflectors are available in three clear natural aluminum finishes — semi-specular (C), slightly diffuse (V) or fully diffuse (EC) — as well as champagne gold or black Alzak®. Semi-specular, gold and black finishes are recommended for smooth beam patterns on light surfaces. Other reflector finishes are available on special order.
- Trim flange conceals edges of ceiling installation hole. Standard finish is white; custom paint finish available on special order.
- Housing is constructed from 20-gauge electro-zinc, polyester-coated steel in Edison Price Lighting's American factory. Heavy-gauge metals, an additional protective coating, and American manufacturing guarantees long-lasting durability.
- For more information, [click here](#).

APPLICATIONS

Installation locations should offer the following conditions:

- ceiling material 1 1/8" or less thick capable of supporting 17 pounds
- recess depth of at least 9 11/16"
- plenum free of joists or obstructions for at least 6" from center of hole along one side (to accommodate junction box).

Fixture is listed for Damp Location, prewired with thermal protector and suitable for use in a fire rated ceiling. Removal of the reflector and housing from below allows access to the junction box.

PRODUCT CODE

For complete product code, list basic unit and select one item from the following box.

| | |
|--|------------|
| Basic Unit | PST-DL30/5 |
| Custom painted trim flange available on special order. Add -CC | |

| | |
|--|------|
| Reflector and Flange Color | |
| Semi-specular Clear | CTF |
| Slightly diffuse Clear..... | VTF |
| Fully diffuse Clear..... | ECTF |
| Champagne Gold | GTF |
| Black | BTF |
| Other reflector finishes are available on special order. | |

Example: PST-DL30/5 BTF is the complete product code for a fixture with a black reflector.

Lamps By Others

Edison Price Lighting does not include lamps and does not sell either lamps or their accessories.

Dimming

For dimming compatibility consult the lamp manufacturer's website.

Wireless Limitations

The wireless range of lamped fixtures will vary with lamp and site conditions

- Standard recessed, see [Darklite 30SE/5](#)
